

# NetSuite ERP Consultant Exam 2021

## Frequently Asked Questions

### 1. How is the updated exam different than the old exam?

The exam is refreshed with updated objectives and new questions that provide a relevant and updated exam experience that is current with the latest release of the NetSuite ERP.

While the number of questions and difficulty is unchanged, all questions are multiple choice and follow updated objectives.

The updated ERP Consultant exam [Study Guide](#) contains all the topics and objectives, with new objectives clearly marked with italics.

### 2. Is the new exam easier or harder than the old one?

The difficulty, number of questions, and allotted time to complete the exam is the same. The exam has 75 multiple-choice questions to answer in 120 minutes.

### 3. Why was the exam revised?

The exam was revised to ensure that its structure and objectives are relevant to the latest NetSuite updates and to test key subject areas for certification.

### 4. If I passed the ERP Consultant exam before, will I have to do it again?

If you already earned ERP Consultant certification and have kept your status Current by completing the annual New Release Quizzes, you do not have to do it again.

The New Release Quiz is:

- Posted to the Announcements on the Certification webpage: [www.netsuite.com/certification](http://www.netsuite.com/certification)
- Posted to the closed LinkedIn Certified Groups
- Sent to your email address on file in the NetSuite Certification Status tool

If your certification status has expired, you may choose to either retake the full exam when the new version comes out or catch up on the missed Annual New Release Quizzes.

### 5. When will the new exam be available?

The new exam version will replace the old version on June 7, 2021. Until then, you may still take the current NetSuite ERP Consultant exam.

### 6. How should I prepare for the new exam?

Prepare for the exam the same way as for other certification exams. Review the following documents, which provide detailed information about the updated ERP Consultant exam:

- The [Study Guide](#) provides detailed objectives for each topic and outlines recommended courses.
- Take a [Sample test](#).
- Self-study is always a good way to prepare.

#### 7. Is the ERP Consultant Sample test updated?

Yes, the sample test is also updated with new questions.

Please note the following: The sample test is intended to provide an idea of question format you might be asked on the exam. The sample test does not provide comprehensive coverage of all topics on the test. However, you may be tested on all material listed in the ERP Consultant Exam Study Guide.

Answering all questions correctly on the same test does not guarantee you will pass the ERP Consultant exam. We do not publish the passing score.

The number of sample questions per test objective does not reflect the actual weighting of the exam. Any objective may have more or fewer questions than are presented in the sample test. The sample test includes at least one sample question per objective.
